Faithful Navigator's Report

Sir Knights and friends,

Further nominations and elections are this month. I have received notice that some current executive members are unable to seek re-election for the next fraternal year. Even though we have many nominations already, our Assembly may be in need to fill one or two executive positions from the floor that evening. I politely ask that the membership of all ages and all experience levels to consider helping your Assembly by holding an executive position next year. For those already nominated, if you plan to let your name stand and you cannot attend this month's general meeting then please send me a small note of your intent to run for office.

We've got a great deal of work and planning done already for the 2011 exemplification and it will require our continued efforts in the new fraternal year as well as much help from the membership to assist in a variety of ways. While on this topic our next exemplification "fun"draiser dinner is Saturday September 25th. SK Lawrence should have more details at this month's general meeting.

I wish to express my sincere thanks to SK Paul Peltier for his help with the new Colour Guard plaques. These new plaques will be presented to those who have reached new point levels in the Colour Guard with our sincere appreciation for their dedicated service representing our Assembly. Please remember the old jewels, ribbons and stars that were issued for the purpose of a token of our appreciation are now obsolete and are no longer part of the regalia. The only official jewels allowed while in full regalia are those miniature jewels of past offices issued by Supreme supply dept along with the 4th degree pin and our Canadian miniature flag. Those wearing the old jewels, ribbons and stars are asked to remove them for Colour Guard duty but you'll be able to display them while in social dress for dinners such as our Christmas party.

Two reminders: June social BBQ is Saturday June 12th in Amherstburg and the 5th Ontario District 2010 Exemplification is Saturday June 19th in St. Thomas.

Notice: The exemplification committee meets again on Wednesday September 15th, at 7:00 pm at the K C hall in Kingsville.

Vivat Jesus.

SK, Dave Gelin

Faithful Admirals Report

Sir Knights,

The Exemplification coming up in June is proving to be very fruitful as far as getting new members is concerned. We may have as many as six new members after the event. After this exemplification is done, we will then have to start working extra hard to ensure that ours is successful next year. Please start recruiting soon for our Assembly.

Faithful Captains Report

Sir Knights and Ladies,

My Fellow Sir Knights and Ladies I would like to share with you all, my report regarding the wonderful meal and atmosphere that we experienced at last month's General meeting, in Leamington on April 15th. Sir Knight and Grand Knight Al DeBenedetti and Lady Yvette and his St. Michael's Council #4501 hosted Our Assembly's April meeting and we were all treated to a very Special and delicious meal, all Thanks to Sir Knight Chester Kuli and his staff of volunteers.

The meal from start to finish was very well prepared and presented and I can only say that Leamington has set the bar very high and it will be very tough to match the meal that they put on for all those who attended. My sincere Thanks to all the Knights of St. Michael's Council who did a great job, the decorations were unique and a very nice touch. These decorations, which were in the form of plants and shrubs, were from the "Peanut Center Nursery" which is a business that Brother Steve DeGoey owns and operates and he also happens to be a member of St. Michael's Council. My sincere Thanks to Sir Knight Chester Kuli and his staff who added so much to the dinner and the night, especially the 2 jokes that he shared with us all before we started our meeting.

I must point out that this was a long meeting, because it was a nomination night, and I would like to Thank all the Sir Knights and Ladies who came out and attended and enjoyed this meal together, we certainly had a great turn out. I would also like to Thank all those Knights who nominated other Sir Knights or who were nominated themselves and hopefully will be standing for the Executive positions especially those that are open.

Faithful Captain's Continued report....

I would like to mention again that our next General meeting will be in McGregor on May 20th, and that there will be a very Special program for all the Ladies who wish to attend, which by the way is an Election night.

Lady Bernadette Emery has graciously stepped forward and organized a guest to be present at the McGregor Hall on the 20th and her guest will be discussing and displaying all natural, non-toxic candle products and such; and I believe that she will have some of her stock for purchase and I am sure that she will also be taking orders. I am sure that you Ladies know how these affairs work and I am sure that it will be a very interesting night for those who choose to attend. My sincere Thanks to Lady Bernadette.

I have already mentioned that at this meeting we will be completing the nomination process by holding Elections for all those Sir Knights who were nominated to Executive positions and have dedicated this past Fraternal year to doing the duties of their respective Executive positions. I myself have enjoyed this past year as this Assembly's Faithful Captain and look forward to continuing my role as Faithful Captain for another term. Our callers continue to do a great job and this month the calls are very critical and we have to have a very accurate count for those who wish to attend so that we are not short of meals. Please when called make sure of your commitment and let the callers know whether you are attending or not; but if there is a change either way Please call me and let me know.

One last bit of information and that is that in June we will, of course; not have a Meeting and instead Amherstburg will be hosting our regular and Annual Steak and Chicken BBQ. The date for this BBQ is Saturday, June 12th and there will be more details in next month's final bulletin; but Friends will be Welcome.

Once again Thank you to all those Members and their Ladies who have come out to Our General Meetings and if you haven't attended lately, why not think about coming out. To contact me call 519-733-4183 or email me at kofcdan@gmail.com

Faithfully, Fraternally and Patriotically,
SK Dan Orawski
Faithful Captain

Faithful Comptroller

Last month we discussed the many reasons why people in general have decided not to avail themselves of life insurance protection. This month, we'll examine one more interesting set of survey results.

Most people who are in the group that does have individually owned life insurance (about 50 percent of households in the U.S. and Canada) own enough to replace 3.6 years of income. The "years of income" number is an interesting one. It is really how you can measure what you will leave behind if something were to happen to you. If you earn \$60,000 per year in your job, that income allows you and your family to live the way you do today. That lifestyle may be exactly where you want to be, a little bit more, or a little bit less. Regardless, it is where you are. Suddenly, you are taken out of the picture. Not an easy subject to discuss, but that's what life insurance is about, and you and I both know that it happens. It's happened to someone you know, hasn't it? When it happens, your employer, or your business, won't keep sending cheques to the house. There will be some benefits, some unused sick time, some fund raising perhaps ... but it will end soon.

In the example I used above of 3.6 times income, the individual who earns \$60,000 per year would have \$216,000 of life insurance coverage. Sounds like a lot. But since it has to replace your income, it will last 3.6 years. Assuming an April 1, 2010, date of death, the family is out of money in early 2014. Then what? It's March of 2014, and the chequing account is empty. What now? A further interesting statistic: Those who admit to owning insurance that equals 3.6 times income then admit that they realize they should own more. In fact, a stunning 44 percent admit that they know they do not have enough coverage. That admission is made to a person conducting a survey. Imagine the conclusions that could be drawn if that man or woman sat down with an agent and had a heart to heart talk about family goals and objectives. Imagine the peace of mind that comes with knowing that March of 2014 can affordably be moved back to 2024 ... or 2034 ... or forever? Think about it. How many years of income can you replace? How many years should it be? And then stop thinking and act. I would welcome the opportunity to help.
